

KRISHNA PATEL

DATA ANALYST

krishnapatel6824@gmail.com • +91 92741 06038 • [LinkedIn: Krishna Patel](#) • [Portfolio Website](#)

PROFESSIONAL SUMMARY

Data Analyst with hands-on experience across three internships in AI/ML, BI, and data analytics, turning raw data into actionable insights. Proficient in SQL, Advanced Excel, and Python (Pandas, NumPy) for data cleaning, validation, and EDA, with strong dashboarding in Power BI and Tableau for KPI reporting. Recognized with the Best CIPAT Award (Invictus 2026) for big-data modeling on global compensation trends in Data Science, AI, and ML roles. Certified by Microsoft, IBM, and Deloitte.

TECHNICAL SKILLS

- Programming & Query Languages: Python, SQL, HTML, CSS
- Data Analytics: Data Cleaning, Data Validation, Data Transformation, Exploratory Data Analysis (EDA), Statistical Analysis, ETL Basics, KPI Analysis, Business Reporting
- Business Intelligence & Visualization: Power BI, Tableau, Advanced Excel (Pivot Tables, Pivot Charts, VLOOKUP, XLOOKUP, INDEX-MATCH, Conditional Formatting, What-if Analysis), Dashboard Development
- Python Libraries: Pandas, NumPy, Matplotlib, Seaborn, Plotly, Scikit-Learn
- Tools & Platforms: GitHub, VS Code, Google Colab, Jupyter Notebook, Microsoft Office, Google Sheets
- AI Productivity Tools: ChatGPT, Microsoft Copilot, Claude AI, Gemini, Canva
- Soft Skills: Communication, Critical Thinking, Analytical Thinking, Problem Solving, Teamwork, Time Management, Stakeholder Communication

WORK EXPERIENCE

AI/ML Intern — Microsoft Corporation

Jan 2026 – Apr 2026

- Applied Python and industry-standard ML libraries to build and refine machine learning pipelines, strengthening data preprocessing and model-building workflows.
- Translated real-world ML workflows into structured, analytical problem-solving approaches, building job-ready expertise in developing data-driven, intelligent solutions.

Data Analyst Intern — Unified Mentor

Sep 2025 – Dec 2025

- Performed data cleaning, statistical analysis, and data visualization using Excel and SQL to support data-driven business decision-making.
- Converted raw, unstructured datasets into clear, actionable business insights through structured analytical reporting.

Data Analyst Intern — CSRBOX

Jul 2025 (2 weeks)

- Conducted data cleaning, exploratory data analysis, and visualization using Excel, Tableau, and SQL to uncover data trends.
- Developed critical thinking and problem-solving skills directly applicable to real-world business analytics scenarios.

PROJECTS

AI-Powered Sustainability Intelligence System

- Designed a full-stack analytics platform with real-time CO₂ monitoring, predictive analytics, anomaly detection, a sustainability scoring engine, computer vision analysis, and an AI chatbot using Python and Machine Learning.

Data Science Salary Trend Analysis

- Analyzed global Data Science compensation data to identify how role, experience level, and company size drive salary variation.
- Presented findings through visual storytelling and data visualization to support compensation benchmarking insights.

Netflix Content Analysis

- Cleaned and analyzed Netflix's global content catalog to identify genre, country, and release-year trends using EDA techniques.
- Built a predictive model on the processed dataset to support content trend forecasting.

Goal Tracker Application

- Built a productivity application enabling users to manage tasks, track progress, set reminders, and improve time management.

ACHIEVEMENTS

Best CIPAT Award — Invictus 2026

Received the Certificate of Appreciation at Invictus 2026, C.K. Pithawala College Campus, as a team member on the CIPAT project: "Big Data Analytical Modeling for the Global Compensation Trend Analysis in Data Science, AI, and ML Roles (2020–2025)".

- Adjudged Best CIPAT (AY 2024–2025), recognized for data analytics expertise, technical proficiency, and team collaboration.

CERTIFICATIONS

Microsoft SkillsBuild (Power BI, Azure, Copilot, AI/ML) • Microsoft Elevate (AI/ML Internship) • IBM SkillsBuild (Data Analysis) • Deloitte (Data Analytics Job Simulation) • Unified Mentor (Data Analyst Internship) • CSRBOX (Data Analyst Internship)

EDUCATION

BE in Computer Engineering — CKPCET, Surat, Gujarat, India (CGPA: 7.57)

2023 – 2026

Diploma in Computer Engineering — GGP, Surat, Gujarat, India (CGPA: 7.24)

2021 – 2023
